

Specialty Paper and Coated Paper Industry Base Project of Guangdong Guan Hao High-Tech Co., Ltd. Successfully Put into Production

On April 25th, 2014, Guangdong Guan Hao High -Tech Co., Ltd. held the trial production ceremony of the specialty paper and coated paper industry base project (first phase) at the base paper production plant of Donghai Island mill.

The first phase of Guangdong Guan Hao High -Tech Co., Ltd.' s specialty paper and coated paper industry base project includes building a new specialty base paper

production line, four coating paper production lines and moving 6 existing coating production lines to the new mill. After the project is completed, Guangdong Guan Hao High -Tech Co., Ltd. can increase new specialty base paper capacity of 125 000 t/a and coated paper capacity of 100,000 t/a. The project powerfully promotes the implementation of the specialty paper development strategy of Guangdong Guan Hao High -Tech Co., Ltd.
